

JUST SA TRAINING EDITION: EASTERN CAPE PART ONE

Just Transition to a Decarbonised Economy for South Africa (JUST SA): Eastern Cape Edition prt.1

As South Africa moves towards a greener economy, the Just Transition agenda has become critical in ensuring that no one is left behind. In this special edition of the TIPS podcast series, Elize Hattingh speaks with participants from the Eastern Cape cohort of a recent TIPS training initiative.

This program, part of the multi-year Just Transition to a Decarbonised Economy for South Africa (JUST SA) initiative, equips provincial and local government officials with the tools needed to drive an inclusive, sustainable future. Tune in to hear first-hand insights from the training, reflections on the challenges and opportunities of the transition, and how South Africa is shaping a just and evidence-based approach to decarbonisation. This episode is the first part of the full selection of interviews from the Eastern Cape.
